

Tips on Reading the Bible Daily

1. Start reading the Bible today -- there is no better time, and there's no reason to wait.
2. Set aside a specific time each day. Set your schedule and then stick to it. Mornings are great, but feel free to use any time that works consistently for you.
3. Remember to pray before you begin to read, asking the Holy Spirit to open your eyes and your heart to what He wants to teach you.
4. Consider keeping a small notebook handy to jot down anything that sticks out to you, or questions you have while you are reading.

Do it alone or with your Family.
Challenge others to join you as you go deeper in the Word this Christmas season.
