A Bible Reading Plan you can start at any time

Reading the entire Bible in one year can seem a little daunting. In this plan we will take you through the entire Bible, in a more moderate pace over the course of three years. You will see that there is only a chapter per day, with a few exceptions where shorter chapters have been combined into one day's reading. This plan also alternates between the Old and New Testaments with a break every so often with the Psalms and Proverbs. Simply read the chapter and meditate upon it as you dig deeper into God's Word.

Getting the Most Out of Your Daily Bible Reading

As you read the Bible each day, allow the Scriptures to speak to you.

Pray with focus and openness to see what God has for you.

Read the selected passage of Scripture slowly. Take note of intriguing words and phrases. Read them a second time.

Reflect on what strikes you as you read. What does this passage of Scripture teach you about God's values?

Respond to the passage. Speak to God directly about what's on your mind and heart. Look for ways to live out what you've uncovered.

Don't get discouraged, if you miss a day, just pick up where you left off. Go at your own pace and grow deeper in your relationship with God.
