

“Rikapuna is a very powerful weekend experience! It clearly presents all the aspects involved in reaching an unreached people group. It also allowed us to hear practically how God uses regular people, empowered by a supernatural God, to accomplish this huge task!”

Did you know that the majority of times you see the word “nations” in the New Testament, it’s the Greek word “ethnos”?

It simply refers to people groups and as the Lord has commissioned us, it’s our desire to make disciples among all the “ethnos.”

“We thought we knew about missions when we knew very little.”
